## TOP 5 CANCER SITES DIAGNOSED AND/OR TREATED AT BLESSING HOSPITAL

# Screenings: Colorectal

Every March, in recognition of Colorectal Cancer Awareness Month, the Blessing Cancer Center gives out free take home screening kits to help raise awareness.

# of Distribution Sites	Screening Year	# of Kits Distributed	# of Kits Returned & Processed	Kit Return Rate	# of Negative Results	% of Negative Results	# Positive for Blood	% of Positive Results	# Diagnosed with Cancer
11	2018	50	26	52%	24	92%	1	4%	0
14	2017	94	50	53%	46	92%	3	6%	0

# Screenings: Prostate

On December 19, 2018, the Blessing Cancer Center conducted a Prostate Cancer Screening event from 4-7 pm in the Blessing Physician Services' Urology Suite. All participants, and their primary care provider, if authorized, received a letter with their results.

<b>Total PSA</b>	16

# Screenings: Skin

On May 4, 2018, the Blessing Cancer Center conducted a Skin Cancer Screening event in the Blessing Physician Services' Dermatology Suite. All participants with suspicious results received a certified letter in follow-up to the screening as well as up to four phone calls.

**Melanoma's Diagnosed: 0**

# Screenings: Breast, Lymphedema & Lung

In conjunction with the Blessing Breast Center, the Blessing Cancer Center works to offer lymphedema screenings, and the Breast Cancer Navigator teaches multiple Breast Self-Exam classes each year in addition to navigating for breast cancer patients. The Lung Cancer Navigator works to screen patients using a low-dose CT scan in addition to navigating for lung cancer patients.

## Lymphedema Screening

# Prevention & Education

Our Community Needs Assessment shows a high rate of smokers in our area. In an effort to help lower those numbers, the Community Outreach Educator at the Blessing Cancer Center gives smoking and vaping education presentations to 4th Grade students at local elementary schools. The Blessing Cancer Center also participates in the Great American Smoke Out each year. This year's event was held on November 15, 2018, and included tobacco cessation counseling.

## Smoking Education Presentations

<b>Total Number of Students Attended in 2018</b>	850
<b>Students Stating They Learned Something New</b>	90%

# Events: Survivor Day 2018
